DO YOU WANT TO BE A CNC MACHINIST?

and make \$15-\$16/hr? HTI offers a program to work while your school is paid for at AB Technical Community College.*

HOW?

- Visit the HTI office and apply/test for a job at BorgWarner
- HTI will schedule you for an interview at a BorgWarner facility
- HTI will then direct you to your local WIOA office to determine eligibility
- Enroll in Machining Fundamentals or CNC Programming at AB Tech
- Final step-- START WORKING!
